

Consumer publications order form

– For multiple orders

Financial tips and safety checks
from the Australian Securities &
Investments Commission

The Australian Securities and Investments Commission has a number of free booklets for consumers about money matters (see overleaf). Please use this form to order your copies.

Stay in touch with a monthly email newsletter from FIDO. You can subscribe at www.fido.gov.au or by phoning **1300 300 630**.

Charges may apply for orders in excess of 50 copies for handling, delivery and GST. For single requests please phone ASIC's Infoline on **1300 300 630**.

Please return this order form by fax to **(03) 5177 3999** once you have made your choices and filled out the details below.

Alternatively please post back to **ASIC Publications, PO Box 4000, Gippsland Mail Centre VIC 3841**. Or you can email us at business.support@asic.gov.au. If requesting 100 copies or more in total, please give us your phone number to help delivery by courier.

Please tell us which publication you would like and how many copies you want

Money and finance

Dealing with debt

A guide to coping with your debts, including your rights and responsibilities (produced with the ACCC).

Also available in Arabic, Chinese, Greek, Italian, Turkish and Vietnamese.

Getting advice

A guide to finding the right financial adviser and advice that works for you.

Investing in debentures?

Independent guide for investors reading a prospectus for unlisted debentures.

Super decisions

A guide to understanding and making superannuation decisions.

Also available in Arabic, Chinese, Greek, Italian, Korean, Russian, Turkish and Vietnamese.

To the max

A booklet about financial issues faced by young people – such as managing the costs of mobile phones, car finance and insurance, budgeting, credit cards and first-time employment.

You can complain

A guide to making an effective complaint about a financial product or service.

Your money

A guide to managing your money, making smarter decisions and avoiding expensive mistakes.

Indigenous

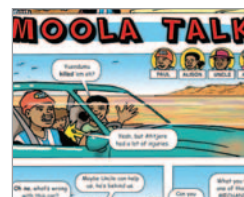

Dealing with book up: Key facts

Resources for people working on developing responses to 'book up' in Indigenous communities.

Moola talk

A booklet about financial issues faced by Indigenous people in regional and remote areas – such as protecting your PIN, dealing with door-to-door salesmen, being smart about insurance, and 'book up'.

Paying for funerals

Information for Indigenous consumers about different ways to pay for funerals, and what to watch out for.

Super and us mob

A fact sheet for Indigenous people that explains how superannuation works, what you are entitled to as an employee and how superannuation helps your family.
